

TOTALREPAIR™

Patent-pending technologies give MVS the capability to offer **TotalRepair**, a guaranteed repair solution offered on select ultrasound probes.

With **TotalRepair**, even 'totaled' probes can be repaired, allowing you to avoid costly exchanges and replacements, while receiving the world-class MVS quality and customer care you've come to expect.

TotalRepair Offering

- **Guaranteed Repair**
 - MVS guarantees repair on any **TotalRepair** probe or we replace it at the repair price
- **Extended Warranty**
 - **TotalRepair** services backed by an extended six-month warranty on standard probes
- **Ensured Quality**
 - MVS uses its Performance PROVEN™ testing to validate that a MVS repair functions like new

Try our SWAP option!

TotalRepair SWAP

Swap your defective probe for a tested replacement at the quoted repair price

- **Speed**
 - Replacement shipped for next-day delivery
- **Simplicity**
 - Single transaction reduces shipping and handling
- **Decreased Risk**
 - No loaner to keep track of or damage

MEDRAD MVS. Your complete solution for ultrasound probe repair.
